Dear Prospective Sponsor,

The Maryland Hurricanes was established in 1989 with the goal of providing excellent coaching and mentoring while offering high levels of competition for local female athletes looking to play basketball in college. Boasting an impressive list of alumni, we are one of the oldest and largest AAU organizations in the State of Maryland. We are looking to continue our tradition of excellence this year with our 16 and under team (16U).

This team is composed of players from throughout the Baltimore and Annapolis areas. Our student-athletes are dedicated to academics, yet are also committed to playing basketball at a highly competitive level with the hopes of achieving collegiate scholarships and playing beyond high school. In addition to basketball brilliance, we look to instill life-skills of confidence, self-esteem, and leadership that will assist them into adulthood.

This year, the Maryland Hurricanes 16U will play in ten competitive exposure tournaments throughout the Mid-Atlantic region Florida. College coaches and scouts will be at these tournaments to see our girls play and evaluate their future opportunities in basketball.

As we continue to strive towards our goal of providing an excellent basketball experience for all involved, we do have the expense of entry fees, uniforms, coaching and travel. The average expense per player is approximately \$750 plus travel and hotel expenses.

Without fundraisers and community support, some players would be excluded from participating. We have asked each parent to seek out prospective sponsors so that every girl with the desire to excel will have the opportunity. The Maryland Hurricanes is a 501(c)3 non-profit organization and all sponsorship money will be used solely for players' club fees. With a donation, you or your organization will get a tax deduction and a mention in all publications. More importantly, you can take pride in supporting these young ladies' efforts and giving back to the community.

If you would like to be a sponsor of our team, please fill out the bottom portion of this letter and return it with your check written to:
